

STEADFAST CLIENT TRADING PLATFORM BUSINESS INSURANCE ON SVU

calibre
INSURANCE

Our low referral model is specifically designed to provide you with a more efficient experience in the quote and bind process. You'll find that there are more definitive yes/no decisions provided up front for most risks enabling you to spend less time waiting for a response, and more time making immediate decisions for our mutual clients. Furthermore, higher underwriting consistency is also achieved right across the board and this efficiency means your time is spent wisely.

RISK APPETITE

Our occupation list on Steadfast Client Trading Platform ('SCTP') Business Insurance is expansive at around 5,000. We have ensured our question criteria targets the individual occupation level. With these considerations a more accurate pricing is achieved for your clients.

REFERRAL SERVICE

All referrals are handled by experienced and informed underwriters who have a thorough knowledge of the entire process. A dedicated underwriter will be the the point of contact to assess the risk and answer any questions. In addition, when referral is returned for further information, the underwriter's name and contact details are returned to you.

SECURITY

Underwritten by The Hollard Insurance Company Pty Ltd A- (Excellent) Rated.*

CLAIMS SERVICE

Rated 4.5 stars by LMI Claims comparison.# Right from the beginning, our approachable and Australian-based team will provide you with all the help needed to fulfill a claim. They constantly monitor the claim to ensure that it's right on track and then stay in touch with you during the entire claim process.

BROKER FOCUSED

We specialise in SME Insurance for Australian businesses and operate exclusively through insurance brokers, we don't deal with direct clients. It means there are no channel conflicts. Our focus is on ensuring that the best possible service is provided to help you achieve the best outcomes.
